Subject: Project update- Construction starting on Brentwood Circle and Lynndale Drive

Residents of Clearwater Road, the North Lynndale Neighborhood, and Brentwood Circle Project Areas,

[Construction starting the week of May 18th:](#)

Construction is expected to start along Lynndale Drive beginning Monday, May 18th. Construction is expected to start on Brentwood Circle after crews complete removal work along Lynndale Drive, with work expected to begin on Wednesday, May 20th on Brentwood Circle.

[Private utility work/street lights being removed by Crow Wing Power:](#)

Private utility work, including removal of existing street lights will occur later this week or early next week on Lynndale Drive and Brentwood Circle. For information, new street lights are proposed to be installed after utility work and roadway construction later this summer. Other relocation by Charter Communications may occur in project areas,

[Neighborhood Meeting Reminder:](#)

Please join our team for the Neighborhood Meeting/Construction Open House this **Thursday, May 14 at 6:00 p.m. at Baxter City Hall** for additional information and details related to construction. We intend to provide information related to construction impacts and also discuss access to your property during construction.

[Additional Communication planned after the Neighborhood Meeting:](#)

Our team intends to provide additional information via email updates as well for those that are not able to attend the meeting on Thursday evening.

[Project Contacts:](#)

If you have any questions or concerns, please feel free to contact Neil Heinonen, SEH at 320.250.2090 or via email at nheinonen@sehinc.com, or Shane Murphy, SEH at 612.226.7984 or via email at smurphy@sehinc.com.
